Eva Martin, M.D.
Director of Women’s Health and Family Planning
North and South Central Health Districts
Georgia Department of Health

Feld Memorial Lecture

8:00 AM
“Healthcare Challenges in the LGBTQIA Community: Strategies to Develop a Welcoming and Respectful Patient-Centered Medical Practice”

Learning Objectives:
1) Identifying frameworks for approaching the unique health needs and disparities experienced by LGBTQI persons
2) Define key sexuality & gender terminology used by and for LGBTQ patients
3) Identify barriers that could cause difficulties of communication and access to healthcare
4) Develop institutional opportunities to improve the services for LGBTQ patients and community-at-large

9:00 AM
“Chief’s Rounds”

Learning Objectives:
1) To review the morbidity and mortality (M&M) cases from the past month
2) To learn current standard care of these M&M cases
3) To educate quality improvement care plans of these M&M cases

Commercial Relationships Disclosure Statement: None
Chief’s Rounds have no commercial relationships to disclose.
