8:00 AM

“The Pleasure Principle: Addressing Female Sexuality in Clinical Practice”

Learning Objectives:

At the conclusion of this session, the participants will be able to

1. Identify key ways providers can address sexual concerns in their practice.
2. Name the three most common presenting sexual problems for women and evaluation and management options based on a BioPsychoSocial Approach.
3. Discuss the multidisciplinary approach to addressing sexual concerns and understand the role of collaboration and referrals.
