GRAND ROUNDS LECTURE SERIES

Robert J. Sokol, MD
Dean, Emeritus and Distinguished Professor,
Emeritus, Departments of Obstetrics and Gynecology and Physiology
Wayne State University School of Medicine
Professor, Adjunct, Department of Epidemiology and Biostatistics
Michigan State University College of Human Medicine

October 17, 2017
8:00 AM
“Maternal Mortality in Michigan”

Learning Objectives:
At the end of the program, the participant should be able to
1) List the three leading causes of maternal mortality in Michigan
2) Describe the percentage of cases of maternal mortality that are preventable
3) (Preventability of a maternal death may be attributed to the patient, a provider, or a system factor.) Give two examples of system factors that may contribute to a maternal death.
