GRAND ROUNDS LECTURE SERIES

Roohi Jeelani, MD, FACOG
Reproductive Endocrinologist and Infertility Specialist
VIOS Fertility Institute
Hoffman Estates, IL

February 05, 2019
8:00 AM
“Oncofertility”

Learning Objectives:
1. Discuss the patient health factors that health providers should understand when treating young fertility patients
2. Identify experimental and established techniques for fertility preservation for these patients
3. Gain an understanding of how to identify and select patients for fertility preservation treatment
4. Identify advances in emerging fertility preservation techniques, discuss the significance and barriers in the clinical setting
5. Discuss endocrine, gynecological, psychological and sexual health considerations for females impacted with chemotherapy
