8:00 AM
“Compassion: Alleviation of Suffering”

Learning Objectives:
- Gaining the wisdom to distinguish pain from suffering
- Learning how to observe when your patients are presenting with predominantly pain or suffering
- Learning how to go from fixer/rescuer to healer
- Recognizing the process in yourself when painful experiences morph into suffering
- Recognizing that suffering is a choice
- Increasing your capacity for managing emotional triggers, stress, and burnout to facilitate sustainable caregiving
- Learning how best to compassionately serve others and cultivate deeper resilience and compassion

Commercial Relationship disclosure: None
