October 26, 2021

8:00 AM

“Preconception and Prenatal Genetic Screening & Diagnosis: A Review and Case Examples”

Objectives

- 1) Review current professional society guidelines for prenatal screening and diagnosis of chromosomal and single-gene disorders
- 2) Discuss application of these guidelines to real-world case examples
- 3) Elucidate the value of consulting with or referring to board-certified genetics professionals to assist in complex cases
