(Retired Vice President Henry Ford Hospital)

Clinical Assistant Professor, Wayne State University

Dr. Charles Vincent Memorial Lecture

April 16, 2024

8:00 AM

“Stoney The Road We All Trod” Pioneers in Michigan Medicine

Understanding and addressing the history of Racial Health Disparities and the practice of medicine in Michigan from 1853 to the 21st Century.

Objectives:

- Describe how medical care through the Reconstruction Era and the 20th century explain possible contributing factors, to structural racism and social determinants of health care.
- Describe three strategies to use in health care systems and large group practices to address health disparities and implicit bias.
- Understand the role of physicians in shaping public understanding, conversation, and public policy.

Commercial Relationship Disclosure: None

In Person Lecture only
