8:00 AM

“Equitable Genetic Carrier Screening at Detroit Medical Center - Moving Towards a Unified Process”

Objectives:

1. Review society recommendations for genetic carrier screening in pregnancy, including a brief overview of currently available treatment
2. Present the scope and basis for expanded carrier screening in pregnancy
3. Highlight the role of genetic counselling for both pre-test and post-test counselling in the setting of expanded carrier screening
4. Discuss issues of reproductive justice as it pertains to expanded carrier screening
