8:00 AM

“HIV Infection in Pregnancy: An Update”

Educational objectives:

1. Discuss the epidemiology of HIV infection in reproductive age women
2. Review the progress in reduction of vertical transmission of HIV infection in pregnancy
3. Highlight the importance of preconceptional care for patients living with HIV infection (PWLH).
4. Discuss obstetrical management of PLWH and use of HIV medications
5. Review the shared decision-making strategy for patients considering breast feeding.
